FOR GENERAL NORSTAD. FROM JCS.

Indications are that Geneva talks may break down very soon. Some doubt in minds of many whether or not we will agree to summit talks. Political atmosphere in near future may be tense and could lead to further Soviet provocations. Essential all contingency planning be completed as soon as practicable. Would appreciate your estimate as to when plans may be received by JCS. Part V of JCS 960694 of 5 June and JCS 960348 of 29 May also refer.
